

Meeting minutes 06/10/23

Start: 10:00am CEST – End: 10:30am CEST

Members present:

- Victoria
- Wang
- Michael
- Andrea

We decided to review the existing parts and put everything together for the final document. Michael and Wang are taking care of HW and SW plans, Victoria is doing the requirements table, and Andrea is reviewing and reducing the word count of the methodology piece. Then Michael and Wang will put everything in one document and finally Wang as the team leader is submitting the work for the group.
